Eng. Ahmed Mohamed Saad

Founder Of Company

Welcome to El Badr – Where Quality Meets Nature! At El Badr, we proudly deliver premium herbs and spices, handpicked from Egypt's most fertile lands and crafted to meet global standards. With years of expertise in international export, we specialize in providing natural products that bring authentic flavor and aroma to every corner of the world. From fresh basil and mint to rich cumin and golden turmeric, our diverse selection is tailored to satisfy every market need. We combine tradition with innovation — using state-of-the-art packaging to lock in freshness, purity, and potency. Our commitment goes beyond products: we ensure timely delivery, competitive pricing, and top-tier customer support. Whether you're a wholesaler, importer, or manufacturer, El Badr is your trusted partner for long-term success. Let us help you elevate your offerings with world-class herbs and spices your customers will love. We're ready to grow with you — one shipment, one success story at a time. Thank you for choosing El Badr – Your Global Gateway to Authentic Flavors!

Eng. Ahmed Mohamed Saad began his professional journey as an architect, passionate about designing buildings and creating spaces. However, he discovered a new passion in the world of export. The turning point came when he noticed the increasing demand for medicinal and aromatic plants in global markets. He decided to leverage his engineering knowledge to build a strong supply network. He founded “El-Badr for Export” and started collaborating with local farmers to ensure high-quality products. With his ambitious vision, he successfully entered new markets and introduced Egyptian products with international standards. Despite challenges, he continued to develop his company until it became one of the leading names in the field, achieving success driven by passion and determination.

Vision

2026

To become the world's number one name in the field of natural herbs and spices, by delivering authentic Egyptian products that bring flavor, quality, and excellence to every kitchen across the globe. We aspire for "El Badr" to be a symbol of trust, innovation, and leadership in international markets — building bridges of authentic taste between Egypt and the world.

Mission

- 01 Expanding our global reach by entering new international markets and building strong, lasting partnerships.
- 02 Enhancing production and supply efficiency through advanced processing, packaging, and strict quality control aligned with global standards.
- 03 Strengthening our brand identity by delivering a premium image, clear communication, and consistent product excellence under the El Badr name.
- 04 Ensuring full compliance with international export regulations by maintaining all required certifications and documentation for smooth and secure global shipping.
